

INDUSTRY LIQUOR BOTTLE PERMIT NUMBERS

GLASS CONTAINER MANUFACTURERS AUTHORIZED TO  
MANUFACTURE LIQUOR BOTTLES

Below is a list of all glass container manufacturers authorized to manufacture liquor bottles by the Internal Revenue Department and the permit number assigned to each plant as of Sales Bulletin #1993, Liquor #2, dated May 1, 1969.

This number must be blown in all bottles for the packaging of distilled spirits of 8 oz. capacity or larger and is usually shown just below the permit number of the distiller, rectifier, or bottler packaging the product and in front of the last two digits of the year of manufacture.
